

Steklov Mathematical Institute, Moscow, April 12–19, 2009

2nd Conference on String Field Theory and Related Aspects

$$Q\Psi + \Psi * \Psi = 0$$

Conformal field theory,
strings and cosmology,
trans-Planckian collisions,
topological field models,
topological string models,
selected topics of non-local field theories,
effective field theory of p-adics strings, etc.

Organizing Committee

Irina Aref'eva,
Vladimir Belokurov, Roman Gorbachev,
Petr Medvedev, Nicolas Moeller,
Martin Schnabl, Mikhail Vasiliev
